## Bulk Mulch

		Prices subject to change without notice	
<b>28947</b>	<p><b>Premium Hardwood Mulch</b></p> <p>This is a 100% hardwood product that has been triple ground and aged into a fine naturally dark mulch. Aged bark will break down into an enriching soil additive more quickly and uniformly than traditional wood mulches. This is a very hard-to-find product, as most shredded hardwood mulches on today's market contain a large percentage of wood. Excellent for discriminating property owners who don't want to deal with a build up of wood mulch over years of gardening.</p>		<p><b>1-19 yards</b>     <b>\$37.75</b></p> <p><b>20+ yards</b>     <b>\$35.75</b></p>
<b>28942</b>	<p><b>Color Enhanced Black Mulch</b></p> <p>Ground from mixed hardwoods. These products hold their fresh color longer than other types of mulches. Suitable for situations where a long term well-groomed look is desired or where mulch colors are used to compliment or accent the color scheme of the property.</p>		<p><b>1-19 yards</b>     <b>\$39.25</b></p> <p><b>20+ yards</b>     <b>\$37.25</b></p>
